

HXC013H

Undervoltage Release 100-120V AC (h250-h400-h630)

Technical properties

Power

Inrush power absorbed	1,40 VA
-----------------------	---------

Safety

Ingress Protection (IP) class	IP4X
-------------------------------	------

Voltage

Command voltage AC	110 - 120 V
--------------------	-------------

Command voltage DC	0 - 0 V
--------------------	---------

Functions

Delayed	No
---------	----
