

HXT042HK

Motor Operator P250 230-240VAC with Auto-Reset + key

Technical properties

Voltage

| | |
|---------------------|-------------|
| Type voltage supply | AC |
| Command voltage AC | 230 - 240 V |
| Command voltage DC | 0 - 0 V |

Frequency

| | |
|-----------|------------|
| Frequency | 50 - 60 Hz |
|-----------|------------|

Functions

| | |
|--------------------------|-----|
| With auto reset function | Yes |
|--------------------------|-----|
