## Insulated prong busbar 1P 80A 16mm<sup>2</sup> 9C for RCBO

## **Technical properties**

| Architecture                             |                      |
|------------------------------------------|----------------------|
| Number of poles                          | 1 P                  |
| Configuration                            |                      |
| Number of modules                        | 13                   |
| Voltage                                  |                      |
| Rated impulse withstand voltage          | 4 kV                 |
|                                          |                      |
| Electric current                         |                      |
| Rated current                            | 80 A                 |
| Dimensions                               |                      |
| Length                                   | 228 mm               |
| Pitch                                    | 17.8 mm              |
| Power                                    |                      |
| Total power loss under IN                | 1.2 W                |
| Power supply                             |                      |
| Number of phases for the power supply    | 1 phase              |
| Number of phases for the power supply    | 1 pilase             |
| Materials                                |                      |
| Colour                                   | brown                |
| Installation, mounting                   |                      |
| Suitable to a device with an auxiliary   | No                   |
| Commontion                               |                      |
| Connection                               | 16 mana?             |
| Connection cross-sect. rigid cable       | 16mm²                |
| Suitable for product with neutral busbar | No                   |
| Equipment                                |                      |
| Number of connections                    | 9 C                  |
| Number of appliances to build in         | 13                   |
| Standards                                |                      |
| European directive RoHs                  | voluntary compliance |
|                                          |                      |
| Use conditions                           |                      |
