

KF81A

Cable terminal 1P prong 1 cable 25mm²

Technical properties

Architecture

Number of poles 1 P

Functions

Suitable for fine strand conductors No

Suitable for fine strand conductors without cable end sleeve No

Suitable for extra fine-strand conductors No

Suitable for extra fine-strand conductors without cable end sleeve No

Electric current

Rated current 80 A

Connection

Connection cross-sect. flexible conductor 16mm²

Connection cross-sect. rigid cable 25mm²

Terminal cross-section 25 mm²

Type of connection with screw

Equipment

Number of outputs 0

Number of inputs 1

Safety

REACH conform Yes

RoHS conform Yes

Halogen free Yes
