

TN003S

Cat 6 UTP Data patch module

Technical properties

Architecture

Type	RJ45 8(8)
------	-----------

Configuration

Module	VDI
--------	-----

Compatibility

Compatible with Grade	1
-----------------------	---

Connectivity

Passband	100 Mhz
----------	---------

Materials

Colour	other
--------	-------

Cable

AWG range	AWG 26-22
-----------	-----------

Equipment

Screened	No
----------	----

Identification

Category	Cat6
----------	------
