Product data sheet VS212PT

VS212PT

Small distributor,golf,surface,2row,IP40,24M,MS-terminal,AUS,N+PE,white door

Technical properties

With a pipe-in lead	Y
Configuration	
Number of modules	:
Main electrical features	
Nominal voltage	400
Electric current	
Rated current	80
Dimensions	
Depth of installed product	99 m
Internal depth	99 m
Height of installed product	377 m
Width of installed product	282 m
Width in division units	:
Cover, door	
Identification od protection index	
Identification od protection index Interlockable Number of keylock of the door	
Identification od protection index Interlockable Number of keylock of the door Cover type	1
Identification od protection index Interlockable Number of keylock of the door Cover type	Closed (plai
Identification od protection index Interlockable Number of keylock of the door Cover type Door locking Door leave	Closed (plai witho
Identification od protection index Interlockable Number of keylock of the door Cover type Door locking Door leave	Closed (plai witho sing Do
Identification od protection index Interlockable Number of keylock of the door Cover type Door locking Door leave Cover type	Closed (plai witho sing Do
Identification od protection index Interlockable Number of keylock of the door Cover type Door locking Door leave Cover type Transparent cover or door Materials	r Closed (plai witho
Identification od protection index Interlockable Number of keylock of the door Cover type Door locking Door leave Cover type Transparent cover or door Materials Colour	Closed (plai witho sing Do
Number of keylock of the door Cover type Door locking Door leave Cover type Transparent cover or door	Closed (plai witho sing Do

Suitable for outdoor use

Settings

Enclosure type

Distributor empty cabinet

No

Equipment

Number of rows	2
Quantity of section in width	1
Quantity of rails	2
Can be accessorized	Yes
Number of openings for flange plates	0
Extension possible	Yes
Earthing terminal block	Yes
Neutral terminal block	Yes
Signal passing door	Yes

Standards

650 °C

Safety

	IK protection code against mecanical
IK07	impacts
isol.class II	Protection class
No	REACH conform
Yes	RoHS conform
No	Halogen free
IK07	Impact strength

Use conditions

Operating temperature

-25...40 °C
