

WBM10R3

Mechanism 10A rotary

Technical properties

Voltage

Nominal voltage 250 - 250 V

Installation, mounting

Mounting on Flush mounting

Safety

Ingress Protection (IP) class IP20

Dimensions

Depth 45 mm

Materials

Colour White

Architecture

Control/operation element Rotative

Texts

Switch mode With neutral position: 0-1-2-3

Type of connection With screw terminals
