

WBM10RAM

**Mechanism 10A rotary AUTO MAN**

**Technical properties**

**Voltage**

Nominal voltage	250 - 250 V
-----------------	-------------

**Installation, mounting**

Mounting on	Flush mounting
-------------	----------------

**Safety**

Ingress Protection (IP) class	IP20
-------------------------------	------

**Dimensions**

Depth	45 mm
-------	-------

**Materials**

Colour	White
--------	-------

**Architecture**

Control/operation element	Rotative
---------------------------	----------

**Texts**

Type of connection	With screw terminals
--------------------	----------------------
