

WBM20H-BK

## 20A Mechanism 'HEAT' Black

### Technical properties

#### Architecture

Type of control unit	rocker
----------------------	--------

#### Main electrical features

Nominal voltage	250 V AC
-----------------	----------

#### Electric current

Rated current	20 A
---------------	------

#### Connection

Type of connection	with screw terminals
--------------------	----------------------

Type of connection	Screw connection
--------------------	------------------
