

WBMSLL

**Mechanism slave module with LED indicator**

**Technical properties**

**Main electrical features**

Frequency	50 Hz
-----------	-------

**Dimensions**

Height	24 mm
--------	-------

**Materials**

Colour	white
--------	-------

**Connection**

Type of connection	with screw terminals
--------------------	----------------------

**Safety**

REACH conform	Yes
RoHS conform	Yes
Halogen free	Yes

**Use conditions**

Operating temperature	5...40 °C
Storage/transport temperature	-20...60 °C
