

WBMSLL

Mechanism slave module with LED indicator

Technical properties

Main electrical features

Frequency	50 Hz
-----------	-------

Dimensions

Height	24 mm
--------	-------

Materials

Colour	white
--------	-------

Installation, mounting

Installation mode	RotoLoc ®
-------------------	-----------

Connection

Screw terminals (max.)	2 x 1,5/1 x 2,5 mm ²
Type of connection	with screw terminals

Safety

REACH conform	Yes
RoHS conform	Yes
Halogen free	Yes

Use conditions

Operating temperature	5...40 °C
Storage/transport temperature	-20...60 °C

Identification

Main design line	Mechanisms
------------------	------------
