

WBMTV75PF-BK

TV mechanism PAL-F Black

Technical properties

Connectivity

Connectors / jacks with IEC socket (female)

Dimensions

Height 26.5 mm

Width 26.5 mm

Resistance

Wave impedance 75 Ω

Materials

Colour black

Installation, mounting

Installation mode RotoLoc ®

Connection

Connection 'F' connection at rear

Safety

Protection index IP IP20

RoHS conform Yes

Identification

Main design line Mechanisms

With imprint No
