

WBMTV75PF-MB

Mechanism TV PAL to F MB

Technical properties

Connectivity

Connectors / jacks with IEC socket (female)

Dimensions

Height 26.5 mm

Width 26.5 mm

Resistance

Wave impedance 75 Ω

Materials

Colour black

Surface appearance matt

Installation, mounting

Installation mode RotoLoc [®]

Connection

Connection 'F' connection at rear

Safety

RoHS conform Yes

Identification

Main design line Mechanisms

With imprint No
