

WBMTV75PY-MW

Mechanism TV 3GHz F to F MW

Technical properties

Connectivity

Connectors / jacks with 'F' connector

Dimensions

Height 26.5 mm

Width 26.5 mm

Resistance

Wave impedance 75 Ω

Materials

Colour white

Colour white

Surface appearance matt

Installation, mounting

Installation mode RotoLoc [®]

Connection

Connection 'F' connection at rear

Safety

RoHS conform Yes

Identification

Main design line Mechanisms

With imprint No
