# 12017014

with knock out SAT input

Berker K.5

12017014

#### Centre plate for aerial soc. 2-/3hole, K.5, stainless steel, metal matt finish

#### **Technical properties**

## Compatibility

For aerial socket according to DIN 45330

### Connectivity

### Inputs

Materials	
Colour of design line	Stainless steel
Material / workmanship	metal, matt finish
Surface appearance	matt
Installation, mounting	
Installation mode	for screw fastening
Equipment	
Supporting plate / Supporting ring	without supporting ring
Safety	
REACH conform	Yes
RoHS conform	Yes
Halogen free	Yes
Identification	
Application, usage	Communication technology

Main design line
