

16216086

**Rocker, lens, Q.x, ant. velvety, lacq.**

**Technical properties**

**Controls and indicators**

|                                  |                                                                             |
|----------------------------------|-----------------------------------------------------------------------------|
| Push-buttons                     | also for KNX applications: push-button, 1gang, and group push-button, 1gang |
| Rocker switch/rocker push-button | for rocker push-buttons, for change-over/intermediate switch                |

**Materials**

|                        |                          |
|------------------------|--------------------------|
| Colour of design line  | anthracite               |
| Colour                 | anthracite               |
| Colour                 | anthracite charcoal grey |
| RAL colour             | RAL 7021 - Black grey    |
| Material / workmanship | lacquered                |
| Material               | duroplastic              |
| Surface appearance     | velvety                  |

**Installation, mounting**

|                   |                 |
|-------------------|-----------------|
| Installation mode | clamp fastening |
|-------------------|-----------------|

**Equipment**

|          |                                     |
|----------|-------------------------------------|
| Lighting | for lighting and monitoring circuit |
|----------|-------------------------------------|

**Use cases**

|             |               |
|-------------|---------------|
| Application | Light control |
|-------------|---------------|

**Use**

|                                          |           |
|------------------------------------------|-----------|
| Differentiation characteristic 2 - Sales | with lens |
|------------------------------------------|-----------|

**Identification**

|                          |                                                                             |
|--------------------------|-----------------------------------------------------------------------------|
| Application, usage       | Light control, Flush-mounted wet-room installation, KNX - operating systems |
| Main design line         | Berker Q.1/Q.3/Q.7/Q.9                                                      |
| Secondary design line(s) | Berker Q.1, Berker Q.3, Berker Q.7, Berker Q.9                              |

**Instructions**

|                   |                                                                                                                                                                                 |
|-------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Special note text | The IP44 degree of protection can only be achieved in conjunction with the appropriate neon, incandescent or LED lamp unit, as well as a sealing set for switches/push-buttons. |
|-------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
