

28352045

Extension units insert f. universal rot. dimmer, soft-lock, R.classic, black gl.

Technical properties

Architecture

Type of control unit Push & rotative

Compatibility

Extension unit as extension unit for universal rotary dimmer

Main electrical features

Nominal voltage 230 V

Frequency 50/60 Hz

Voltage

Operating voltage 230 V AC

Voltage voltage test possible without dismantling

Dimensions

Axis dimension Ø 4 mm

Materials

Colour of design line black

Colour black

Material Plastic/metal

Installation, mounting

Installation mode for screw fastening

Connection

Type of load universal

Type of connection with plug-in terminals

Scope of delivery

Component with incremental encoder

Equipment

Number of substations max. 5

Centre plates / central plates centre plate and setting knob

Use

Differentiation characteristic 3 - Sales with soft-lock

Identification

Main design line Serie R.classic
