## SCHUKO soc. out. "SV" imprint, R.1/R.3, green glossy

## **Technical properties**

| Architecture                            |                                     |
|---|-------------------------------------|
| Design                                  | according to DIN 49440              |
| Configuration                           |                                     |
| Number of modules                       | 1                                   |
| Main electrical features                |                                     |
| Nominal voltage                         | 250 V                               |
| Rated voltage                           | 250 V AC                            |
| Frequency                               | 50/60 Hz                            |
| Rated current                           | 16 A                                |
| Electric current                        |                                     |
| Rated current                           | 16 A                                |
| Dimensions                              |                                     |
| Insertion depth                         | 32 mm                               |
| Installation depth, flush-mounted boxes | 31 mm                               |
| Cover, door                             |                                     |
| Cover                                   | Central cover plate                 |
| Materials                               |                                     |
| Design lines special colours            | green                               |
| Surface appearance                      | glossy                              |
| Metallic colour                         | No                                  |
| Installation, mounting                  |                                     |
| Installation mode                       | with spreader claws                 |
| Connection                              |                                     |
| Connection terminals                    | according to IEC 60884-1            |
| Connection terminals                    | according to VDE 0620-1             |
| Type of connection                      | with plug-in terminals              |
| Safety                                  |                                     |
| REACH conform                           | Yes                                 |
| RoHS conform                            | Yes                                 |
| Halogen free                            | No                                  |
| Protection                              | without enhanced contact protection |

With enhanced contact protection
