

75161685

## Technical properties

### Architecture

Fixing mode	flush-mounting
-------------	----------------

### Functions

With room temperature controller	No
----------------------------------	----

Function	for switch, push-button, dimmer and shutter functions
----------	---

### Compatibility

Extension unit	extension unit for light scene push-button
----------------	--

### Controls and indicators

With LED indication	Yes
---------------------	-----

Number of buttons	1
-------------------	---

Operation	one push-button operation for switching, pushing, shutters and dimming, activation of second user level via object
-----------	--

### Measurement

Value transmitter	value transmitter for dimming, position, brightness and temperature values 1 and 2 byte
-------------------	---

### Screen

With display	No
--------------	----

### Materials

Colour of design line	anthracite
-----------------------	------------

Colour	anthracite
--------	------------

RAL colour	RAL 7021 - Black grey
------------	-----------------------

Material	thermoplastic
----------	---------------

Surface appearance	matt
--------------------	------

Type of surface treatment	Painted
---------------------------	---------

Material family	Plastic
-----------------	---------

### LED control

LED	with green operation LED and 2 red status LEDs
-----	--

### Connection

Bus coupling unit	for bus coupling unit flush-mounted
-------------------	-------------------------------------

### Settings

Parameterisation	parameterisable per channel: feedback status and brightness value, locking, scenes, soft on and off
------------------	---

<b>Scope of delivery</b>	
Bus connection included	No
<b>Equipment</b>	
Number of actuation points	2
With anti-theft/dismantling protection	Yes
Product type:	product type: push-button 1gang
<b>Use</b>	
Differentiation characteristic 1 - Sales	with labelling field
Differentiation characteristic 3 - Sales	with vertical operation
<b>Safety</b>	
Protection index IP	IP20
Protection	with dismantling protection
Alarm	alarm telegram after disconnection from bus coupling unit 1 bit or 1 byte
<b>Use conditions</b>	
Operating temperature	-5...45 °C
<b>Identification</b>	
Application, usage	KNX - operating systems
Product family	product family: push-button
Secondary design line(s)	KNX, Berker S.1, Berker B.3, Berker B.7
