Touch sensor 2gang thermostat, display, intg bus coupl. unit,KNX-R.1, glass bl.

Technical properties

Architecture	
Fixing mode	flush-mounting
Functions	
With room temperature controller	Yes
Function	with valve protection function ; for switch, push-but- ton, dimmer, blind and thermostat functions
Operating mode	controller operating modes: comfort, standby, night and frost/heat protection mode
Controls and indicators	
With LED indication	Yes
Number of buttons	0
Operation	operation by gently touching the sensor surfaces on the white LED
Indication / display	LED display with symbol display ; display of oper- ating mode, controller lockout, room/outside temper- ature, time (clock required)
Button / push-button	with 2 additional display sensor surfaces
Connectivity	
Encoding	with button blocking function
Voltage	
Voltage	operation with non-choked output of KNX voltage supply possible (pay attention to current consump- tion) ; separate auxiliary power supply needed
Dimensions	
Depth	23 mm
Height	152 mm
Width	81 mm
Power	
Current consumption	23 mA
Measurement	
Value transmitter	value transmitter for dimming, position, brightness and temperature values 1 and 2 byte
Screen	
With display	Yes
Materials	

Colour of labelling

Colour of design line	glass black
Colour	black
Type of surface treatment	Tampography
LED control	
LED	with blue operation LED and 4 white status LEDs
Installation, mounting	
Installation mode	for vertical mounting
Connection	
Bus coupling unit	with integral bus coupling unit
Bus connection	bus connection via connecting termina
Bus connection	bus connection via connecting termina
Settings	
Parameterisation	single and two push-button operation parameteris able ; end customer display scope parameterisable
Scope of delivery	
Bus connection included	Yes
Accessories included	
	for suitable frames in the same "style" for additiona applications, see the Design line R.x; for additiona products to complement the installation in matching
Matching products	colours/materials, refer to the Design platform

Identification	
Application, usage	KNX - operating systems
Main design line	KNX - Berker R.1 - configured
Secondary design line(s)	KNX ; Berker R.1
Instructions	
Information text	Only suitable for KNX.
