S.1/B.3/B.7 Push Button 3-gang, Thermostat/Label, Anthracite/Aluminium

Technical properties

u			

With room temperature controller	Yes
Function	with valve protection function ; for switch, push-but- ton, dimmer, blind and thermostat functions
Timers	with room temperature timer
Operating mode	controller operating modes: comfort, standby, night and frost/heat protection mode
Compatibility	
Extension unit	extension unit for light scene push-button
Controls and indicators	
With LED indication	Yes
Dimming	area dimming
Number of buttons	3
Operation	one push-button operation for switching, pushing, shutters and dimming ; blind operating concepts short-long-short and long-short parameterisable
Indication / display	display of operating mode, controller lockout, room/outside temperature, time (clock required) ; LC display with symbol display
Button / push-button	with 2 additional display buttons
Connectivity	
Encoding	with button blocking function
Dimensions	
Labelling field length (W x H)	52.3 x 24.9 mm
Height	110.8 mm
Width	55.8 mm
Measurement	
Value transmitter	value transmitter for dimming, position, brightness and temperature values 1 and 2 byte
Screen	
With display	Yes
Materials	
Colour of labelling	217,217,217
Colour independent of design lines	for anthracite and aluminium
Material for printing	Paper
Surface appearance	alaaa.

Surface appearance

Type of surface treatment	untreated
LED control	
LED	with white operation LED and 6 red status LED
Connection	
Bus coupling unit	for bus coupling unit flush-mounted
Settings	
Parameterisation	single and two push-button operation parameteris able ; end customer display scope parameterisable presence button parameterisable to extend comfor
Programming	programmable from ETS2, V1.2
Scope of delivery	
Bus connection included	N
Equipment	
Number of actuation points	
With anti-theft/dismantling protection	Ye
Type of configuration	Beschriftungsfeld(er) - Foli
Product type:	product type: push-button 3gan
Heating	for heating and/or cooling mode with/without auxi iary ste
Control	for continuous (PI) or switched (2-point) control of max. 2 control circuits; control parameter for heating / cooling unit pre-set; for individual singl room temperature control
Use
