

Ţ.....

85141179

Button 1gang, K.1, p. white glossy

Technical properties

Controls and indicators

Operation with 2-push-buttons operation concept

Main electrical features

Nominal voltage 12 V

Voltage

Operating voltage via insert

Materials

Colour of design line polar white

Equipment

switch-on brightness level for use on dimmer insert,
Brightness power failure proof, storable

Drighthess

Safety

Halogen free No

Protection with dismantling protection

Use conditions

Operating temperature -5...45 °C

Energy-saving low intrinsic energy requirement

Relative humidity (without condensation) 0...65 % (without condensation)

Identification

Application, usage Light control

Main design line Berker K.1

Secondary design line(s) Electronics platform ; Berker K.1
