## Wall box for 8" touch panels

### Technical properties

#### Architecture

|                 |     |
|-----------------|-----|
| Bus system      | EIB |
| Number of poles | 0 P |

#### Functions

|                |     |
|----------------|-----|
| Rear insertion | Yes |
|----------------|-----|

#### Configuration

|                      |    |
|----------------------|----|
| Clamp position fixed | No |
|----------------------|----|

#### Electric current

|                          |   |
|--------------------------|---|
| Number of entry circuits | 0 |
|--------------------------|---|

#### Dimensions

|                            |      |
|----------------------------|------|
| Depth of installed product | 0 mm |
| Internal depth             | 0 mm |
| Length                     | 0 mm |
| Diameter of opening        | 0 mm |
| Width                      | 0 mm |

#### Materials

|          |       |
|----------|-------|
| Material | other |
|----------|-------|

#### Installation, mounting

|                         |    |
|-------------------------|----|
| Luminaire hook mounting | No |
|-------------------------|----|

#### Connection

|                          |                   |
|--------------------------|-------------------|
| Connection cross-section | 0 mm <sup>2</sup> |
|--------------------------|-------------------|

#### Accessories included

|             |              |
|-------------|--------------|
| Fitted with | rail support |
|-------------|--------------|

#### Equipment

|                                 |     |
|---------------------------------|-----|
| With display                    | yes |
| For number of electric fittings | 0   |
| With nail lugs                  | No  |
| With pipe locking               | No  |

#### Use conditions

|            |    |
|------------|----|
| Wind proof | No |
|------------|----|
