

FP22TN2

**Enclosure, univers, IP44, Protecion class1, 1950x550x205mm, empty**

#### Technical properties

##### Dimensions

Height	1,950 mm
Width	550 mm
Depth	205 mm
Thickness of sidewall	1 mm

##### Safety

Ingress Protection (IP) class	IP44
Protection class	Isolation class I
Locking type	Without lock
Impact resistance IK	IK09

##### Equipment

Number of section in width	2
Number of flange plate openings	4
Number of rows	12

##### Installation, mounting

Mounting on	Floor mounting
Suitable for outdoor usage	No

##### Materials

Colour	Pure white
RAL code	9010
Treatment	Powder coated
Material	Steel

##### Cover, door

Number of cabinet doors	1
Number of locks	1
Door/cover is transparent	No

##### Electric current

Rated current	400 A
