

HXF002H

Shunt trip Release h1600 48V DC

Technical properties

Power

Inrush power absorbed	1.44 VA
-----------------------	---------

Safety

Ingress Protection (IP) class	IP4X
-------------------------------	------

Voltage

Command voltage AC	0 - 0 V
--------------------	---------

Command voltage DC	48 - 48 V
--------------------	-----------
