|-------------------------------------------------------------------------------|----------------|
| Rated ultimate short-circuit breaking capacity Icu under 400 V AC IEC 60947-2 | 15 kA          |
| Rated current -25°C                                                           | 0.74 A         |
| Rated current at -20°C                                                        | 0.72 A         |
| Rated current -15°C                                                           | 0.70 A         |
| Rated current -10°C                                                           | 0.68 A         |
| Rated current -5°C                                                            | 0.66 A         |
| Rated current at 0°C                                                          | 0.64 A         |
| Rated current 5°C                                                             | 0.63 A         |
| Rated current 10°C                                                            | 0.61 A         |
| Rated current 15°C                                                            | 0.59 A         |
| Rated current at 20°C                                                         | 0.57 A         |
| Rated current 25°C                                                            | 0.56 A         |
| Rated current 30°C                                                            | 0.50 A         |
| Rated current 35°C                                                            | 0.49 A         |
| Rated current at 40°C                                                         | 0.49 A         |
| Rated current at 45°C                                                         | 0.48 A         |
| Rated current at 50°C                                                         | 0.48 A         |
| Rated current 55°C                                                            | 0.46 A         |
| Rated current 60°C                                                            | 0.44 A         |
| Rated current 65°C                                                            | 0.42 A         |
| Rated current 70°C                                                            | 0.40 A         |
| Architecture                                                                  |                |
| Type of pole                                                                  | 2P             |
| Curve                                                                         | D              |
| Capacity                                                                      |                |
| Number of modules                                                             | 2              |
| Installation, mounting                                                        |                |
| Nominal tightening torque top terminal                                        | 2.80 - 2.80 Nm |
| Nominal tightening torque down terminal                                       | 2.80 - 2.80 Nm |
| Nominal tightening torque                                                     | 2.80 - 2.80 Nm |
| Type of bottom connection for modular devices                                 | biconnect      |
| Type of top connection for modular devices                                    | Screw terminal |

| 360° mounting position possible                                        | Yes              |
|------------------------------------------------------------------------|------------------|
| Main electrical attributes                                             |                  |
| Rated short-circuit breaking capacity Icn AC according to IEC 60898-1  | 10 kA            |
| Voltage                                                                |                  |
| Rated operational voltage Ue                                           | 400 - 400 V      |
| Type voltage supply                                                    | AC               |
| Rated insulation voltage Ui                                            | 500 V            |
| Rated impulse withstand voltage Uimp                                   | 6,000 V          |
| Frequency                                                              |                  |
| Frequency                                                              | 50 - 60 Hz       |
| Connection                                                             |                  |
| Cross-section of input and output with screws, for massive conductors  | 1 - 35 mm²       |
| Cross-section of input and output with screws, for flexible conductors | 1 - 25 mm²       |
| Cross-section of input with screws, for flex-<br>ible conductors       | 1 - 25 mm²       |
| Cross-section of input with screws, for massive conductors             | 1 - 35 mm²       |
| Safety                                                                 |                  |
| Ingress Protection (IP) class                                          | IP20             |
| Use conditions                                                         |                  |
| Degree of pollution according to IEC 60664 / IEC 60947-2               | 2                |
| Operating temperature                                                  | -25 - 70 °C      |
| Power                                                                  |                  |
| Total power loss under IN                                              | 2.91 W           |
| Endurance                                                              |                  |
| Electric endurance in number of cycles                                 | 4,000            |
| Number of mechanical operations                                        | 20,000           |
| Connectivity                                                           |                  |
| Type of connection                                                     | Screw terminal   |
| Top connection alignment for modular devices                           | Aligned terminal |
| Down connection alignment for modular devices                          | Aligned terminal |
| Dimensions                                                             |                  |
| Height                                                                 | 83 mm            |
| Width                                                                  | 35 mm            |
| Depth                                                                  | 70 mm            |
