Identified voltage  Connectivity  Speed connection  Counting type  Conference  Connectivity  Connector/plug type socket outlet  Connector/plug type socket  Connect	5 A
Connectivity  Cype of connection  Counting type  Confectivity  Cype of connection  Counting type  Confective  Connective  Connective  Connective  Connective  Connective  Connective  Connector/plug type socket outlet  Connector/plug type socket  Connector/plug type soc	
connectivity  Type of connection  Identify type  Safety  Ingress Protection (IP) class  Dimensions  Relight  Width  Pepth  Materials  Colour  Fourface finish  Retarial  Installation, mounting  Identify on  Equipment  Connector/plug type socket outlet  Sociated central insert  With hinged lid  With round protective earth pin  With signal lamp  Accessories	250 V
Accessories  Industry	250 - 250 V
Mounting type  Safety Ingress Protection (IP) class  Dimensions  Reight  Vidth Depth  Materials  Colour  Formation, mounting  Mounting on  Equipment  Connector/plug type socket outlet  Sotated central insert  Vith hinged lid  Vith round protective earth pin  Vith signal lamp  Accessories	
Ingress Protection (IP) class  Dimensions  Reight  Vidth  Depth  Asterials  Colour  Furface finish  Material  Installation, mounting  Mounting on  Equipment  Connector/plug type socket outlet  Cotated central insert  Vith hinged lid  Vith round protective earth pin  Vith signal lamp  Accessories	Screw terminal
Primensions  Reight  Width  Popth  Atterials  Colour  Formatic finish  Asterial  Installation, mounting  Mounting on  Equipment  Connector/plug type socket outlet  Rotated central insert  With hinged lid  With round protective earth pin  With signal lamp  Accessories	Screw mounting
Dimensions  Deleight  Vidth  Depth  Alaterials  Colour  Surface finish  Material  Installation, mounting  Mounting on  Equipment  Connector/plug type socket outlet  Stotated central insert  Vith hinged lid  Vith round protective earth pin  Vith signal lamp  Accessories	
leight Vidth Depth  Materials Colour  Fourface finish Material  Installation, mounting Mounting on  Equipment Connector/plug type socket outlet Fourface dentral insert Vith hinged lid Vith round protective earth pin Vith signal lamp  Accessories	IP20
Vidth Depth  Materials Colour Surface finish Material Installation, mounting Mounting on Equipment Connector/plug type socket outlet Sotated central insert Vith hinged lid Vith round protective earth pin Vith signal lamp Accessories	
Materials Colour Gurface finish Material Material Mounting on Guipment Connector/plug type socket outlet Motated central insert With hinged lid With round protective earth pin With signal lamp Accessories	86 mm
Materials Colour Surface finish Material Installation, mounting Mounting on Equipment Connector/plug type socket outlet Sotated central insert With hinged lid With round protective earth pin With signal lamp Accessories	86 mm
Colour Gurface finish Material Installation, mounting Mounting on Equipment Connector/plug type socket outlet Sotated central insert With hinged lid With round protective earth pin With signal lamp Accessories	25 mm
Accessories  Material  Material  Mounting on  Equipment  Connector/plug type socket outlet  Notated central insert  With round protective earth pin  Vith signal lamp	
Installation, mounting  Mounting on  Equipment  Connector/plug type socket outlet  Sotated central insert  With hinged lid  With round protective earth pin  With signal lamp  Accessories	Silver
Installation, mounting  Mounting on  Equipment  Connector/plug type socket outlet  Sotated central insert  With hinged lid  With round protective earth pin  With signal lamp  Accessories	Glossy
Accessories	Stainless steel
Equipment Connector/plug type socket outlet Cotated central insert Vith hinged lid Vith round protective earth pin Vith signal lamp Accessories	
Connector/plug type socket outlet  Stotated central insert  With hinged lid  With round protective earth pin  With signal lamp  Accessories	Flush mounting
Vith hinged lid Vith round protective earth pin Vith signal lamp	
Vith hinged lid Vith round protective earth pin Vith signal lamp	British Standard
Vith round protective earth pin Vith signal lamp Accessories	No
Vith signal lamp	No
accessories	Yes
	No
las labelling field	No
Capacity
