

16357103

**Centre plate for mechanical timer, K.5, al., al. anodised**

**Technical properties**

**Materials**

|                        |                            |
|------------------------|----------------------------|
| Colour of design line  | Aluminium                  |
| Colour                 | aluminium                  |
| Colour                 | aluminium optics           |
| RAL colour             | RAL 9006 - White aluminium |
| Material / workmanship | aluminium, anodised        |
| Material               | Aluminium                  |
| Surface appearance     | matt                       |

**Installation, mounting**

|                   |                     |
|-------------------|---------------------|
| Installation mode | for screw fastening |
|-------------------|---------------------|

**Use cases**

|             |               |
|-------------|---------------|
| Application | Light control |
|-------------|---------------|

**Safety**

|               |     |
|---------------|-----|
| REACH conform | Yes |
| RoHS conform  | Yes |
| Halogen free  | No  |

**Identification**

|                    |               |
|--------------------|---------------|
| Application, usage | Light control |
| Main design line   | Berker K.5    |
