

167802

LED lamp E10, light control, yellow

Technical properties

Main electrical features

| | |
|---------------|------|
| Rated current | 4 mA |
|---------------|------|

Endurance

| | |
|---|-----------|
| Service life ¹ of LED white/coloured | ≈ 50000 h |
|---|-----------|

Materials

| | |
|------------------------------------|--------|
| Colour independent of design lines | yellow |
|------------------------------------|--------|

LED control

| | |
|-----|----------------------------|
| LED | very long LED service life |
|-----|----------------------------|

Use cases

| | |
|-------------|---------------|
| Application | Light control |
|-------------|---------------|

Safety

| | |
|---------------|-----|
| REACH conform | Yes |
| RoHS conform | Yes |

Use conditions

| | |
|-----------------------|-------------|
| Operating temperature | -40...70 °C |
|-----------------------|-------------|

Identification

| | |
|--------------------------|-----------------------------|
| Application, usage | Light control |
| Main design line | Light control |
| Secondary design line(s) | Module inserts, ACCESSORIES |
