

75141034

**KNX glass sensor 1gang comf, intg bus coupling unit, KNX - TS sensor, glass al.**

**Technical properties**

**Functions**

With room temperature controller	Yes
Function	for switch, push-button, dimmer and shutter functions ; Blocking function for sensor surface e.g. for cleaning the glass surface

**Compatibility**

Extension unit	extension unit for light scene push-button
----------------	--------------------------------------------

**Controls and indicators**

With LED indication	Yes
Number of buttons	0
Operation	operation by gently touching the sensor surfaces on the white LED

**Dimensions**

Depth	37.7 mm
Depth	5.7 mm
Dimensions (W x H x D)	86 x 160 x 5.7 mm
Height	160 mm
Width	86 mm

**Power**

Current consumption	12.5 mA
---------------------	---------

**Measurement**

Value transmitter	value transmitter for dimming, position, brightness and temperature values 1 and 2 byte
-------------------	-----------------------------------------------------------------------------------------

**Screen**

With display	No
--------------	----

**Materials**

Colour of design line	glass aluminium
Surface appearance	glossy

**LED control**

LED	with blue operation LED and 2 white status LEDs
-----	-------------------------------------------------

**Installation, mounting**

Installation mode	for vertical mounting
-------------------	-----------------------

**Connection**

Bus coupling unit	with integral bus coupling unit
-------------------	---------------------------------

Bus connection	bus connection via connecting terminal
----------------	----------------------------------------

---

**Scope of delivery**

Bus connection included	Yes
-------------------------	-----

---

**Accessories included**

Matching products	for glass frames in the same "style" for additional applications, see the Design line B.7 ; for additional products to complement the installation in matching colours/materials, refer to the Design platform S.1/B.x
-------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

---

**Equipment**

Number of actuation points	2
----------------------------	---

With anti-theft/dismantling protection	Yes
----------------------------------------	-----

---

**Use**

Differentiation characteristic 3 - Sales	with integral bus coupling unit
------------------------------------------	---------------------------------

---

**Safety**

REACH conform	Yes
---------------	-----

RoHS conform	Yes
--------------	-----

---

**Use conditions**

Operating temperature	-5...45 °C
-----------------------	------------

Temperature	temperature measurement via internal temperature sensor or external communication object ; integrated temperature sensor for operation as controller extension unit ; additional connection for external temperature sensor
-------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

---

**Identification**

Application, usage	KNX - operating systems
--------------------	-------------------------

Main design line	KNX - Berker TS Sensor
------------------	------------------------

Secondary design line(s)	KNX ; Berker TS Sensor
--------------------------	------------------------

---

**Instructions**

Information text	Only suitable for KNX.
------------------	------------------------
