KNX glass sensor 2g thermostat, display, intg bus coupl , KNX-TS sensor, al.

Technical properties

With room temperature controller	Ye
Function	with valve protection function ; for switch, push button, dimmer, blind and thermostat functior
Operating mode	controller operating modes: comfort, standby, nigh and frost/heat protection mod
Controls and indicators	
With LED indication	Ye
Number of buttons	
Operation	operation by gently touching the sensor surfaces o the white LE
Indication / display	LED display with symbol display ; display of operating mode, controller lockout, room/outsid temperature, time (clock required
Button / push-button	with 2 additional display sensor surface
Connectivity	
Encoding	with button blocking functio
Voltage	
Voltage	operation with non-choked output of KNX voltag supply possible (pay attention to currer consumption) ; separate auxiliary power suppl neede
Dimensions	
Dimensions Depth	37.7 mi
	-
Depth	5.7 mi
Depth Depth	5.7 mi 86 x 160 x 5.7 mi
Depth Depth Dimensions (W x H x D)	5.7 mi 86 x 160 x 5.7 mi 160 mi
Depth Depth Dimensions (W x H x D) Height	5.7 mi 86 x 160 x 5.7 mi 160 mi
Depth Depth Dimensions (W x H x D) Height Width	5.7 mi 86 x 160 x 5.7 mi 160 mi 86 mi
Depth Depth Dimensions (W x H x D) Height Width Power	5.7 mi 86 x 160 x 5.7 mi 160 mi 86 mi
Depth Depth Dimensions (W x H x D) Height Width Power Current consumption	5.7 mi 86 x 160 x 5.7 mi 160 mi 86 mi 23 mi value transmitter for dimming, position, brightness
Depth Depth Dimensions (W x H x D) Height Width Power Current consumption Measurement	37.7 mr 5.7 mr 86 x 160 x 5.7 mr 160 mr 86 mr 86 mr 23 m value transmitter for dimming, position, brightness and temperature values 1 and 2 byt

75642134

Colour of labelling

Colour of design line	glass aluminium
Surface appearance	glossy
Material family	Glass
LED control	
LED	with blue operation LED and 4 white status LEDs
Installation, mounting	
Installation mode	for vertical mounting
Connection	
Bus coupling unit	with integral bus coupling unit
Bus connection	bus connection via connecting terminal
Settings	
Parameterisation	single and two push-button operation parameterisable ; end customer display scope parameterisable
Scope of delivery	
Bus connection included	Yes
Accessories included	
Adapters	with adapter ring for dismantling protection and shadow gap formation
	for glass frames in the same "style" for additional
Matching products	for glass frames in the same "style" for additional applications, see the Design line B.7 ; for additional products to complement the installation in matching colours/materials, refer to the Design platform S.1/B.x
Equipment	applications, see the Design line B.7 ; for additional products to complement the installation in matching colours/materials, refer to the Design platform
Equipment Number of actuation points	applications, see the Design line B.7 ; for additional products to complement the installation in matching colours/materials, refer to the Design platform S.1/B.x
Equipment Number of actuation points With anti-theft/dismantling protection	applications, see the Design line B.7 ; for additional products to complement the installation in matching colours/materials, refer to the Design platform S.1/B.x
	applications, see the Design line B.7 ; for additional products to complement the installation in matching colours/materials, refer to the Design platform S.1/B.x 6 Yes
Equipment Number of actuation points With anti-theft/dismantling protection Type of configuration	applications, see the Design line B.7 ; for additional products to complement the installation in matching colours/materials, refer to the Design platform S.1/B.x 6 Yes Laserdruck for heating and/or cooling mode with/without
Equipment Number of actuation points With anti-theft/dismantling protection Type of configuration Heating Control	applications, see the Design line B.7 ; for additional products to complement the installation in matching colours/materials, refer to the Design platform S.1/B.x 6 Yes Laserdruck for heating and/or cooling mode with/without auxiliary step for individual single room temperature control ; control parameter for heating / cooling unit pre-set ;
Equipment Number of actuation points With anti-theft/dismantling protection Type of configuration Heating Control Use	applications, see the Design line B.7 ; for additional products to complement the installation in matching colours/materials, refer to the Design platform S.1/B.x 6 Yes Laserdruck for heating and/or cooling mode with/without auxiliary step for individual single room temperature control ; control parameter for heating / cooling unit pre-set ;
Equipment Number of actuation points With anti-theft/dismantling protection Type of configuration Heating Control Use Differentiation characteristic 2 - Sales	applications, see the Design line B.7 ; for additional products to complement the installation in matching colours/materials, refer to the Design platform S.1/B.x 6 Yes Laserdruck for heating and/or cooling mode with/without auxiliary step for individual single room temperature control ; control parameter for heating / cooling unit pre-set ; for continuous (PI) or switched (2-point) control Display
Equipment Number of actuation points With anti-theft/dismantling protection Type of configuration Heating Control Use Differentiation characteristic 2 - Sales Differentiation characteristic 3 - Sales	applications, see the Design line B.7 ; for additional products to complement the installation in matching colours/materials, refer to the Design platform S.1/B.x 6 Yes Laserdruck for heating and/or cooling mode with/without auxiliary step for individual single room temperature control ; control parameter for heating / cooling unit pre-set ; for continuous (PI) or switched (2-point) control Display
Equipment Number of actuation points With anti-theft/dismantling protection Type of configuration Heating Control Use Differentiation characteristic 2 - Sales Differentiation characteristic 3 - Sales Safety	applications, see the Design line B.7 ; for additional products to complement the installation in matching colours/materials, refer to the Design platform S.1/B.x 6 Yes Laserdruck for heating and/or cooling mode with/without auxiliary step for individual single room temperature control ; control parameter for heating / cooling unit pre-set ; for continuous (PI) or switched (2-point) control
Equipment Number of actuation points With anti-theft/dismantling protection Type of configuration Heating Control Use Differentiation characteristic 2 - Sales Differentiation characteristic 3 - Sales Safety REACH conform	applications, see the Design line B.7 ; for additional products to complement the installation in matching colours/materials, refer to the Design platform S.1/B.x 6 Yes Laserdruck for heating and/or cooling mode with/without auxiliary step for individual single room temperature control ; control parameter for heating / cooling unit pre-set ; for continuous (PI) or switched (2-point) control Display integrated bus coupling unit
Equipment Number of actuation points With anti-theft/dismantling protection Type of configuration Heating Control Use Differentiation characteristic 2 - Sales Differentiation characteristic 3 - Sales Safety REACH conform RoHS conform	applications, see the Design line B.7 ; for additional products to complement the installation in matching colours/materials, refer to the Design platform S.1/B.x 6 Yes Laserdruck for heating and/or cooling mode with/without auxiliary step for individual single room temperature control ; control parameter for heating / cooling unit pre-set ; for continuous (PI) or switched (2-point) control Display integrated bus coupling unit

Identification

Application, usage	KNX - operating systems
Main design line	KNX - Berker TS Sensor - configured
Secondary design line(s)	Berker TS Sensor ; KNX

Instructions

Information text

Only suitable for KNX.
