glass polar white

## KNX glass sensor 3g thermostat, display, intg bus coupl. ,KNX-TS sensor, p.wh.

## **Technical properties**

With room temperature controller	Ye
Function	with valve protection function ; for switch, push button, dimmer, blind and thermostat functior
Operating mode	controller operating modes: comfort, standby, nigh and frost/heat protection mod
Controls and indicators	
With LED indication	Ye
Number of buttons	
Operation	operation by gently touching the sensor surfaces o the white LE
Indication / display	LED display with symbol display ; display of operating mode, controller lockout, room/outsid temperature, time (clock required
Button / push-button	with 2 additional display sensor surface
Connectivity	
Encoding	with button blocking functio
Voltage	
Voltage	operation with non-choked output of KNX voltag supply possible (pay attention to currer consumption) ; separate auxiliary power suppl neede
Dimensions	
Depth	37.7 mi
Depth	5.7 mi
Dimensions (W x H x D)	86 x 160 x 5.7 mi
Height	160 mi
Width	86 mi
Power	
Current consumption	23 m
Measurement	
Value transmitter	value transmitter for dimming, position, brightnes and temperature values 1 and 2 byt
Screen	
With display	Ye
Materials	

75643030

Subject to technical modifications

Colour of design line

RAL colour	RAL 9010 - Pure white
Surface appearance	glossy
Material family	Glass
LED control	
LED	with blue operation LED and 6 white status LEDs
Installation, mounting	
Installation mode	for vertical mounting
Connection	
Bus coupling unit	with integral bus coupling unit
Bus connection	bus connection via connecting termina
Settings	
Parameterisation	single and two push-button operation parameterisable ; end customer display scope parameterisable
Scope of delivery	
Bus connection included	Yes
Accessories included	
	with adapter ring for dismantling protection and
Adapters	
Adapters Matching products	shadow gap formation for glass frames in the same "style" for additiona applications, see the Design line B.7 ; for additiona products to complement the installation in matching colours/materials, refer to the Design platform

## Identification

Application, usage	KNX - operating systems
Main design line	KNX - Berker TS Sensor
Secondary design line(s)	Berker TS Sensor ; KNX

## Instructions

Information text

Only suitable for KNX.
