Product data sheet ATA163038014

ATA163038014

External corner for ATHEA trunking 16x30mm in brown

Technical properties

Architecture	
Fixing mode	Clipped
Configuration	
Antibacterial treatment	Να
Connectivity	
Trunking coupling	without couple
Dimensions	
Trunking height	16 mm
Length	26.5 mm
Trunking width	30 mm
Cover, door	
Lid with softlip	N
Materials	
Material group	plasti
Type of surface treatment	untreated
Installation, mounting	
Base punching	Without base punching
Settings	
Angle range	83 / 140 9
Accessories included	
Accessory configuration	Moulded
Standards	
Approvals	EN50085-2-1
European directive RoHs	voluntary compliance
Safety	
REACH conform	Yes
RoHS conform	Yes
Halogen free	Yes
	IKO
Impact strength Use conditions	IK07

Subject to technical modifications

temperatur

Ambient temperature

-5...60 °C
