

BRAP0802ELN

**Alu-trunking lid 80, anodised**

**Technical properties**

**Configuration**

Antibacterial treatment	No
Tamperproof fixing	No

**Compatibility**

Product compatibility	BRAP
-----------------------	------

**Connectivity**

Trunking coupling	without coupler
-------------------	-----------------

**Dimensions**

Length	2000 mm
--------	---------

**Cover, door**

Lid mounting	Internal
Lid with softlip	No
Lid width	80 mm
Cover attachment	Snapped on

**Materials**

Material group	aluminium
----------------	-----------

**Standards**

European directive RoHS	voluntary compliance
-------------------------	----------------------

**Safety**

REACH conform	Yes
RoHS conform	Yes
Halogen free	Yes

**Use conditions**

Operating temperature	-5...90 °C
-----------------------	------------
