

DAP45700ELN

## PacPost 650 mm, Alu naturel anodized

### Technical properties

#### Architecture

Fixing mode	Screwed
-------------	---------

#### Compatibility

Device installation compatible format	45x45 mm
---------------------------------------	----------

#### Dimensions

Depth	66 mm
Installation height	650 mm
Pole shape	rectangle
Width	66 mm

#### Materials

Colour	aluminium
Material	Aluminium
Material group	aluminium
Type of surface treatment	Anodised

#### Cable

Internal/useful cross section	1900 mm <sup>2</sup>
Cable entry	Bottom

#### Equipment

Number of fix dividers	1
------------------------	---

#### Standards

European directive RoHs	voluntary compliance
-------------------------	----------------------

#### Safety

REACH conform	No
RoHS conform	Yes
