

DAS4527009010

versipole F 2,70-3m, pure white

Technical properties

Compatibility

Device installation compatible format	45x45 mm
---------------------------------------	----------

Dimensions

Depth	66 mm
Installation height	2700 / 3000 mm
Pole shape	rectangle
Width	66 mm

Materials

RAL colour	RAL 9010 - Pure white
Material	Aluminium
Material group	aluminium
Type of surface treatment	Painted

Cable

Internal/useful cross section	1200 mm ²
Cable entry	top (ceiling)

Equipment

Number of fix dividers	1
------------------------	---

Standards

European directive RoHS	voluntary compliance
-------------------------	----------------------

Safety

REACH conform	No
RoHS conform	Yes
Halogen free	No
