

DES3000ELS

Pressure fitting pole design, 3000-3300mm

Technical properties

Dimensions

Depth	64 mm
Installation height	3000 / 3300 mm
Length	3000 mm
Pole shape	oval
Width	140 mm

Materials

Colour	black
Material	Mixed materials
Material group	mixed material

Cable

Internal/useful cross section	2250 mm ²
Cable entry	top (ceiling)

Equipment

Number of fix dividers	1
------------------------	---

Standards

European directive RoHs	voluntary compliance
-------------------------	----------------------
