

EE808

IP30

Remote control for customer for presence detectors 360° monobloc

Technical properties

Compatibility

Sensors associatedEE81x, TCC52x

Dimensions

Dimensions (LLxwwxhh)70x10x120

Battery

Battery service life [years]≈ 3.5

Accessories included

Accessory typeManual transmitter for movement sensor

Safety

REACH conformNo

RoHS conformYes

Halogen freeNo

Instructions

Information textScope of functions dependent on the controlled presence detector.
