

EG007

Programming key for EG493E, EG293B, EG403E

Technical properties

Compatibility

Compatible with EG493E, EG293B, EG403E

Dimensions

Dimensions (LLxwwxhh) 30x10x20

Materials

Colour independent of design lines Grey

Settings

Programs for copying and saving of the time switch range

Programming directly programmable via time switch or with optional key adapter

Equipment

Contact less No

Safety

Protection index IP IP20

Use conditions

Operating temperature -5...45 °C

Storage/transport temperature -20...70 °C
