

## ESC240

## Contactor 40A, 2NO, 230V~50Hz

## **Technical properties**

| Arc | hit | ect | ure |
|-----|-----|-----|-----|

| Type of order                                  | Not applicable |
|--|----------------|
| Number of poles                                | 2 P            |
| Configuration                                  |                |
| Number of modules                              | 3              |
| Main electrical features                       |                |
| Rated operational voltage Ue                   | 400 V          |
| Frequency                                      | 50 Hz          |
| Voltage  |                |
| Rated insulation voltage                       | 440 V          |
| DC control voltage                             | 0 V            |
| Command voltage AC                             | 230 V          |
| Rated impulse withstand voltage                | 4 kV           |
| Electric current                               |                |
| Rated current                                  | 40 A           |
| Thermal rated current outside of housings      | 40 A           |
| Acceptable current load with AC7 category<br>A | 40 A           |
| Acceptable current load with AC7 category<br>B | 25 A           |
| Dimensions                                     |                |
| Depth of installed product                     | 60 mm          |
| Height of installed product                    | 85 mm          |
| Width of installed product                     | 54 mm          |
| Power  |                |
| Inrush power absorbed                          | 62.5 VA        |
| Operating consumption                          | 5.7 VA         |
| Total power loss under IN                      | 7.9 W          |
| Power loss per contact                         | 3.2 W          |
| Power dissipation per coil                     | 1.5 W          |
| Contact rating with 230 V in AC7 category A    | 7.3 kW         |
| Contact rating with 230 V in AC7 category B    | 2.6 kW         |
| Contact rating with 400 V in AC7 category A    | 22 kW          |
| Contact rating with 400 V in AC7 category B    | 7.8 kW         |

| Tripping  |  |
|---|--|
| Time of response when opening                       | 20 ms                                    |
| Time of response when closing                       | 25 ms                                    |
| Resistance  |  |
| Winding resistance                                  | 770 Ω                                    |
| Endurance   |  |
| Electric endurance in number of cycles              | 30000                                    |
| Number of mechanical operations                     | 100000                                   |
| Fluorescent bulbs control                           |  |
| Max. power with fluorescent parallel lamps          | 1300 VA                                  |
| Fluorescent lamps in duo circuit                    | 3000 VA                                  |
| Max. load fluorescent lamp                          | 1900 VA                                  |
| Incandescent bulbs control                          |  |
| Max. power with incandescent lamps                  | 4000 W                                   |
| Installation, mounting                              |  |
| Tightening torque                                   | Coil: 2,5Nm ; Power: 3,5Nm               |
|   | ,, |
| Connection  |  |
| Connection cross-sect. flexible conductor           | 1,5 / 16mm <sup>2</sup>                  |
| Connection cross-sect. rigid cable                  | 1,5 / 25mm <sup>2</sup>                  |
| Number of contacts                                  | 2  |
| Type of contacts                                    | 2NC                                      |
| Type of connection                                  | with screw                               |
| Connection cross-section of the control cable solid | 1 / 2.5 mm <sup>2</sup>                  |
| Equipment   |  |
| Can be accessorized                                 | Yes                                      |
| Use   |  |
| Local operation/hand operation                      | No                                       |
| Safety  |  |
| Protection class                                    | isol.class II                            |
| REACH conform                                       | Yes                                      |
| RoHS conform  | Yes                                      |
| Halogen free  | No                                       |
| Use conditions                                      |  |
| Operating temperature                               | -1050 °C                                 |
|   |  |
