

FC013

**Couple side panels, Quadro4, H900 mm 2 pieces**

**Technical properties**

**Dimensions**

|                             |          |
|-----------------------------|----------|
| Insertion depth             | 270 mm   |
| Depth of installed product  | 260 mm   |
| Height of installed product | 900 mm   |
| Width of installed product  | 245.5 mm |

**Materials**

|                           |                       |
|---------------------------|-----------------------|
| Colour                    | pure white            |
| Colour                    | white                 |
| RAL colour                | RAL 9010 - Pure white |
| Material                  | Steel                 |
| Type of surface treatment | Painted               |

**Standards**

|                         |               |
|-------------------------|---------------|
| European directive WEEE | not concerned |
|-------------------------|---------------|

**Safety**

|                  |              |
|------------------|--------------|
| Protection class | isol.class I |
| REACH conform    | Yes          |
| RoHS conform     | Yes          |
