G3155

Data outlet socket 2-gang, cat6 UTP, 8/8 pin

Technical properties

Compatibility

Product compatibility	Geräteeinbau ECOLINE
Device installation compatible format	Standard 60mm

Connectivity

Direction of outlet (for data sockets copper)	angled

Dimensions

Length	70 mm
Format	Ecoline

Materials

Colour	not applicable
Material	Mixed materials
Material group	mixed material
Type of surface treatment	untreated

Accessories included

Fitted with	data outlet

Equipment

With transparent product label holder	No

Standards

European directive RoHs	voluntary compliance

Safety

Protection index IP	IP20

Identification

Producer	BTR
