

HTL010H

h3+ MIP to USB cable adaptor

Technical properties

Cable

Line length	1.8 m
-------------	-------

Equipment

Screened	Yes
----------	-----

Standards

European directive RoHS	voluntary compliance
-------------------------	----------------------

European directive WEEE	concerned
-------------------------	-----------

Safety

REACH conform	Yes
---------------	-----

RoHS conform	Yes
--------------	-----

Use conditions

Operating temperature	0...50 °C
-----------------------	-----------

Storage/transport temperature	-25...85 °C
-------------------------------	-------------
