

HZI812

Double power supply

Technical properties

Configuration

Number of modules	4
-------------------	---

Main electrical features

Frequency	50/60 Hz
-----------	----------

Voltage

Output voltage	230 V AC
----------------	----------

Power supply

Auxillary supply voltage	200 to 288 VAC
--------------------------	----------------

Connection

Connection cross-sect. flexible conductor	6mm ²
---	------------------

Connection cross-sect. rigid cable	6mm ²
------------------------------------	------------------

Safety

REACH conform	Yes
---------------	-----

RoHS conform	Yes
--------------	-----

Halogen free	Yes
--------------	-----
