

HZI812

Double power supply

Technical properties

Configuration

| | |
|-------------------|---|
| Number of modules | 4 |
|-------------------|---|

Main electrical features

| | |
|-----------|----------|
| Frequency | 50/60 Hz |
|-----------|----------|

Voltage

| | |
|----------------|----------|
| Output voltage | 230 V AC |
|----------------|----------|

Power supply

| | |
|--------------------------|----------------|
| Auxillary supply voltage | 200 to 288 VAC |
|--------------------------|----------------|

Connection

| | |
|---|------------------|
| Connection cross-sect. flexible conductor | 6mm ² |
|---|------------------|

| | |
|------------------------------------|------------------|
| Connection cross-sect. rigid cable | 6mm ² |
|------------------------------------|------------------|

Safety

| | |
|---------------|-----|
| REACH conform | Yes |
|---------------|-----|

| | |
|--------------|-----|
| RoHS conform | Yes |
|--------------|-----|

| | |
|--------------|-----|
| Halogen free | Yes |
|--------------|-----|
