

KJ12NB

Supplementary Neutral Bar 125A - 12 connection points

Technical properties

Architecture

Number of poles	1 P
-----------------	-----

Electric current

Rated current	125 A
---------------	-------

Dimensions

Height of installed product	35 mm
-----------------------------	-------

Length	125 mm
--------	--------

Equipment

Number of outputs	12
-------------------	----

Standards

European directive WEEE	concerned
-------------------------	-----------

Safety

REACH conform	No
---------------	----

RoHS conform	Yes
--------------	-----

Halogen free	Yes
--------------	-----
