

L4770

Frame for vertical mounting 45x45

Technical properties

Configuration

kind of product (pre-cut lid for dado trunking)	direct 45 mm
-------------------------------------------------	--------------

Dimensions

Length	50 mm
Width of installed product	45 mm
width of opening	45 mm
Height of opening	45 mm

Materials

Material group	aluminium
Type of surface treatment	untreated

Standards

European directive RoHs	voluntary compliance
-------------------------	----------------------

Safety

REACH conform	Yes
RoHS conform	Yes
Halogen free	Yes
