

L5067

**Rivet for clamping strength hole 6mm halogenfree made of POM 3-8mm light grey**

**Technical properties**

**Compatibility**

Product compatibility Ba6, DNG, LKG,HNG,VK-flex

**Dimensions**

Drilled hole diameter 6 mm

**Materials**

Material group plastic

Material quality Other

Type of surface treatment untreated

**Standards**

European directive RoHS voluntary compliance

**Safety**

REACH conform Yes

RoHS conform Yes
