

L6534ELN

Endcap for BRAP 65x170mm of aluminium natural anodized

Technical properties

Configuration

Antibacterial treatment No

Connectivity

Trunking coupling without coupler

Dimensions

Trunking height 65 mm

Trunking width 170 mm

Materials

Material group aluminium

Standards

European directive RoHS voluntary compliance

Safety

REACH conform No

RoHS conform Yes

Halogen free Yes

Use conditions

Operating temperature -30...90 °C
