

L87657030

Flat corner, FB 80130, grey

Technical properties

Configuration

Antibacterial treatment	No
-------------------------	----

Compatibility

Product compatibility	FB
-----------------------	----

Dimensions

Trunking height	82 mm
Trunking width	130 mm
Measure a	176 mm

Cover, door

Lid with softlip	No
------------------	----

Materials

Type of surface treatment	untreated
---------------------------	-----------

Installation, mounting

Base punching	Without base punching
---------------	-----------------------

Settings

Angle range	90 °
-------------	------

Accessories included

Accessory configuration	Base and lid
-------------------------	--------------

Safety

REACH conform	No
RoHS conform	Yes
Halogen free	No
Impact strength	IK07

Use conditions

Operating temperature	-5...60 °C
-----------------------	------------
